"B" 1) Kind reference is invited to the resolution of the Hunsur Town mcl dated the 30th Aug 1948 The expenditure is sanctioned but it is silent about the source from which the expenditure is to be met

"C" 2) The Odt of the Hunsur Town mcl also has not said in his letter to the Dy Comm Mysore Dt about the source but he has simply said that the closing balance of the mcl on 1-9-48 is Rs 20564-6-7

3) The Dy Comm, Mysore Dt has stated in his letter to Govt that the expenditure may be debited to the closing balance of the mcl for the current year. (This is suggested as the obvious course in the absence of budget provision)

4) He has also requested orders of Govt authorising the Dcs of Dts to sanction expenditure in this behalf

1) With reference to the upper limit to be fixed for the expenditure in this connection, it would appear to be equitable, having regard to the proposals now being received and the finances of Town and Minor Municipalities, to fix Rs 150/- as the upper limit in Town Municipalities and Rs 75/- in respect of Minor Municipalities, for each function } B
